

Ayutthaya was a wealthy and powerful former Siamese kingdom that thrived from 1350 to 1767. The kingdom extended from what is now eastern Myanmar to western Laos, and all the way south to modern day Malaysia. The epicenter of this important and influential era was the enthralling city of Ayutthaya, which is rich in Thai cultural heritage and an official UNESCO World Heritage site.

sala ayutthaya, which opened August 2014, is located in a heart of Ayutthaya, along the banks of the Chao Phraya River, opposite the famous Wat Phutthaisawan temple and surrounded by many archeological and historical wonders from the area's golden age. This riverside boutique retreat is an intimate oasis that blends authentic local charm with contemporary design and world-class hospitality.

The luxury boutique accommodation features 27 unique guest rooms, duplex suites and a pool suite, plus a range of facilities including its signature restaurant, sala ayutthaya eatery and bar, a spectacular rooftop lounge & bar and serene spa services.

Location: sala ayutthaya is just 84km from Bangkok and two international airports – Suvarnabhumi and Don Mueang.
